Dear Parents, Alumni, and Friends of *LCCS*,

The Lancaster Center for Classical Studies (LCCS) is launching its fiscal year 2018—2019 fundraising campaign, and ***your contribution, no matter the size, will make a real difference to the School and to our students.***

Our fundraising campaign has once again been seeded with a gift of \$5,000 from a generous donor who believes in *LCCS*'s mission to provide high-quality instruction in the tradition of the Classical Liberal Arts, with a focus on the educational benefits of Latin and Greek studies. *LCCS* offers a learning environment that prepares its students to excel at fine institutions of higher learning in all of the arts and sciences and in vocational studies. It has a long and successful record of ***helping its students to become creative, skillful, purposeful human beings who go on to lead productive lives, personally, academically, and professionally.***

It is the generosity of supporters like you that helps us to keep the cost of tuition as low as possible, provide a challenging and rewarding curriculum for students from diverse backgrounds and with diverse interests and aims, and fund much-needed technology-related capital expenditures. ***Please make a personal or business donation to LCCS—and, by doing so, help us to make a positive difference in the lives of our students.***

LCCS is a 501(c)(3) not-for-profit organization. Donations are tax-deductible. Please make your check payable to *LCCS*, and send it to:
